Dear Parent/Carer,

21/09/2022

We hope that this letter finds you well. On Tuesday the 04th of October we would like to warmly invite you to a voluntary Year 11 parental information evening that will run from 5.30pm until 6.30pm in school.

The purpose of the event is to give you information about next year's final external exams, and to share with you with some practical tips about effective revision techniques and the science of learning. These revision tips will hopefully allow you to support your child throughout this year, particularly in the build up to the final exams next summer. Linked to this, there will also be subject specific revision materials and guidance available. Finally, we will also discuss the many things we are doing within school to support the success of our Year 11 students this year.

Staff will be available on the evening if you wish to discuss anything with us in person, or if you have any questions.

We hope that you can attend this event and look forward to seeing you on the evening. If you have any questions about the information evening in the meantime, please do not hesitate to contact your child's head of house.

Yours faithfully,

Mr R Gardner,
Associate Assistant Headteacher,
St Joseph's Catholic Academy.

Parents/Carers: Stay Alert. Keep your child at home if they have Covid-19 symptoms. Stay Safe.
