November 2019

Dear Parent/Guardian,

21st November: Open Evening for Prospective St Joseph's Sixth Form Students

You are warmly invited to attend an Opening Evening for all Prospective Sixth Form students and their parents on Thursday 21st November, 6:00-8:00pm.

The evening will consist of a formal presentation from our Head of School, Head of Sixth Form outlining the application procedure, subject options available and the benefits of Sixth Form life at St. Joseph's. In addition to the presentation there will be opportunities to look around the facilities and meet subject staff and current Sixth Form students to discuss the courses on offer and the day- to- day experience of students.

A prospectus will be available on the evening, together with subject leaflets outlining details of the courses on offer; this information will also be available on our school website.

St Joseph's Sixth Form provides a structured and supportive environment where students flourish and develop the skills needed to go on to be successful in their chosen careers, training and/or Higher Education. We place great emphasis on supporting each individual student in reaching their full potential, including academic achievement and gaining enhancement experiences which ensure they are future ready. We offer a full range of qualifications, including A levels as well as vocational BTEC courses. We encourage students to broaden their experiences and to contribute to the school and wider community.

Whatever future plans you may have at this stage, we strongly recommend that you keep your options open by joining us and examining what St Joseph's has to offer.

Yours faithfully,

Suzanne Lewis-Dale
