

Information for Parents – Planning for Potential Re-opening of School for Y10 Students

We have prepared this document in the event that the Directors of our Trust decide that it is safe for our schools to re-open to Year 10 and 12 students in their meeting on Tuesday 2 June.

St Joseph's Catholic Academy wish to assure you that every measure possible will be put in place to ensure the safety and well-being of both students and staff.

The letter to parents from the Director of Bishop Chadwick Catholic Education Trust can be found by following this link:

This document is to provide you with information about:

- Why are we planning for a potential re-opening?
- How we will make school safe for students
- Structure of opening
- Ongoing remote learning

Why are we planning for a potential re-opening?

As a school we have been requested to re-open for pupils in Years 10 and 12 in order to complement our provision of Home Study Work and online well-being resources.

In-school activities will comprise:

- Face-to-face sessions with teachers will focus on consolidation of completed home learning, focusing on key aspects in order to reinforce prior knowledge so that this learning is not lost.
- Study skills sessions will provide students with opportunities to develop effective revision strategies, which can then be used to maximise their learning during home study.
- Face-to-face well-being sessions and opportunities for physical activity.

How we will make school safe.

Bubbles:

- School will be divided into a number of 'bubbles'. There will be one bubble per House and a bubble for key worker students.
- The bubble structure will help to reduce the number of people students and staff are with, helping to keep them safe.
- Each bubble will work in a small section of the school. They will have their own entrance and exit, handwashing stations, toilets and classrooms.
- Within each bubble, students will work in small classes, of no more than seven students.

Hygiene and cleanliness

- We will have additional hand washing stations at the entrance and exit to the building.
- Classrooms, toilets, stairwells and doors will be cleaned after each session at the end of the day.
- Students will be provided with tissues and a bag to dispose of waste in at their desk.
- Classroom doors and windows will be open to aid ventilation.

Travel to and from school

- If possible, we are asking students to walk or cycle to school.
- They must only walk to school with members of their own household.
- If they see friends on their way, please maintain social distancing.
- If they are traveling in a car with people, only travel with members of their own household.
- Student drop off in designated area in car park 1.
- Parents must stay in their car.
- When using public transport students should wear face masks/covering and should minimise the surfaces they touch.
- Students should not travel in groups to school.

Entrance to school

- Students will line up outside their bubble entrance, as directed by staff.
- They will be instructed by staff when they can enter the building.
- There will be 2m floor markings to ensure social distancing.
- Students will wash hands on entrance into building at hygiene stations.
- 2m markings and one-way systems will ensure social distancing.
- Clear signs to remind students about hygiene and social distancing.

First Aid

- Each bubble will have a designated first aider.
- If students feel unwell, they need to let their teacher know.
- The teacher will follow the appropriate protocol to isolate the student in order to reduce risk to others.
- Separate isolation rooms will be designated and equipped within each bubble in the event of a member of the school falling ill.
- Students falling ill during the school day will need to be collected by their parents immediately.

End of School Day

Students will be expected to:

- Follow staff instructions and leave room when told to do so.
- Use 2m floor markings at all times.
- Wash hands on exit of the building.
- Leave the school site straight away. Do not stay at the school exit waiting for friends.
- Students should not congregate outside of school.
- Students should not travel in groups from school.
- Parents are requested to pick their children up from the collection area in car park 1.
- Parents must stay in their car.

Behaviour expectations

These are **exactly the same** as usual, here are some reminders:

- Mobile phones should be switched off /silent.
- Be respectful of each other and all staff.
- Follow instructions as soon as you are asked to do so.
- If you feel worried or have any questions: tell a teacher and we will help you.

Attendance

If you have notified us that your child will be attending school and they do not arrive, we will contact you as usual.

If students have any of the following symptoms they must stay at home and you should contact school to let us know:

- Cough
- Shortness of breath or difficulty breathing
- Fever or chills
- Muscle pain
- Sore throat
- New loss of taste or smell

Visitors to School

School will be closed to all external visitors, other than the emergency services and social workers. Parents cannot enter the school building. If you need to speak to a member of staff, please telephone or email school.

It is important that you realise that teachers are in the position of parents/carers while you are in school. It is essential to follow all protocol procedures to ensure the safety of students, staff and their families. If at any time students fail to follow the protocols outlined or act in a manner that jeopardises the culture of the school or the safety of others, they will be required to be collected immediately.

Please make sure that your contact details are up-to-date and where you might be unavailable due to work, you have provided the contact details of another trusted adult.

Please email: office@stjosephs.uk.net

Structure of Opening

Students will come into school for one day per week as follows:

House	Day
Aidan	Monday
Bede	Tuesday
Cuthbert	Thursday
Dunstan	Friday

Provisionally, timings of the school day will be 8.40am-3.00pm, as usual.

However, timings will be confirmed nearer to re-opening, in-line with any government updates.

Ongoing support

- Teachers will continue to use Google classroom to set work. This will focus on consolidating, reinforcing and reviewing key knowledge and skills, in order to ensure that learning is not lost.
- Parent / carer emails are used to notify when work is set or deadlines missed. If you are not currently receiving these emails, please contact office@stjosephs.uk.net to update your details.
- Phone calls from our Pastoral Team will continue.
- There are regularly updated resources on our website including: well-being, careers research, online courses, parent information presentations and virtual work experience.
- Please contact HomeStudyHelp@stjosephs.uk.net with any questions regarding home learning.
- Our 'Useful Contacts' information is available on the school website: <http://www.stjosephs.uk.net/wp-content/uploads/2020/03/Useful-Contacts-March-2020-final-1.pdf>
