Dear Parent/Guardian

As a school we are fully committed to ensuring that all pupils are given every opportunity to be successful and achieve their potential. As part of this we have an exciting careers programme supporting student on their careers learning journey from year 7 to 13.

We work in partnership with North East Collaboration Outreach Partnership and the future me programme to offer enrichment opportunities including talks from Universities, study skills workshops, goal setting and mentoring programmes. Your child will have the opportunity to take part in the current virtual offer.

Please find attached the privacy notice.

We are excited about the programme this year and look forward to your child's involvement with it. Thank you for your ongoing support.

Kind regards,

Suzanne Lewis-Dale

Assistant Head, Head of Sixth Form
