## Google Classroom FAQ – Parents and Students

- **What happens if I forgot my email or password?**

Contact [support@stjosephs.uk.net](mailto:support@stjosephs.uk.net) and they will assist you with this.

- **What is the class code for my year group?**

Year Group	Class Code
7	y5qhlc3
8	o4q4vna
9	3pn2kfo
10	5etg6c6
11	odgyseg

- **How do I join classes for each of my subjects?**

Your teachers should have shared your class codes with you. Don't worry if you haven't got a note of these – each of your teachers will invite you to join their class.

- **What do I do if my class code doesn't work?**

Check if you have capitalised required letters and not used numbers instead of letters (and vice versa).

- **How do I find out how to access the work and submit work?**

The instructional video demonstrates how to do this. You can send a message to your teacher via Google Classroom if you are unsure about what to do or how to hand in your work.

- **Should I submit all of my work?**

The task instructions from your teachers will tell you which work you should submit to them. Not all work will need to be submitted, some will need to be done and kept somewhere safe, so that you will be able to refer back to it later.
