

# This is the week to....

- **Remember!** Each week on this slide I will list key actions that all Year 11 students must undertake in order to achieve success.
- I will message them to your parents/carers too.
- Make sure you note them on today's page in your planner.
- Make sure you complete all of the them!
- Make sure your classmates have completed them!

# Last week you....

Placed this sticker in your planner to help you remember.

Saw this in y11 Google classroom and checked it on your phone etc too!

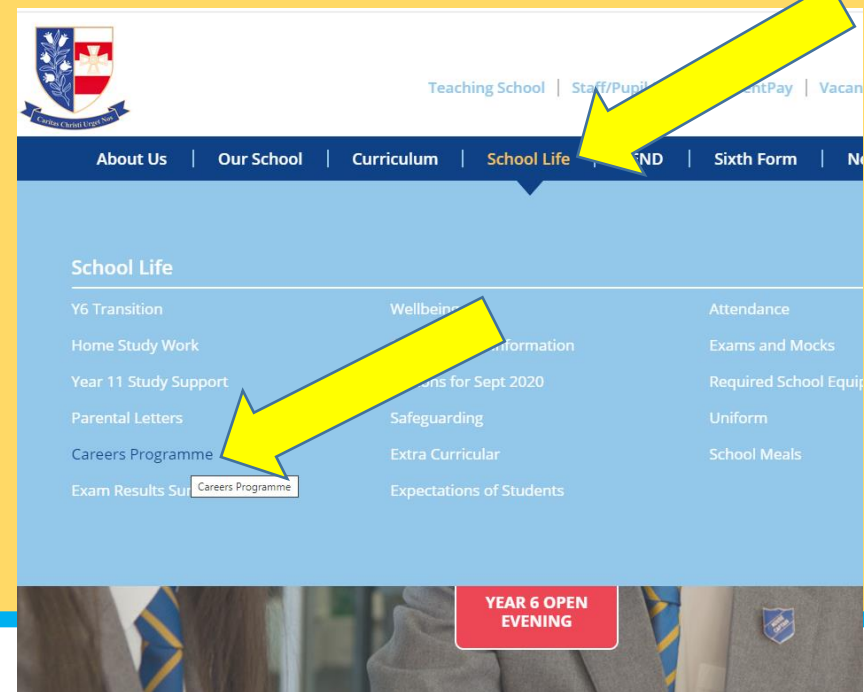

This is the week to ...		
English	Maths	Science
... learn Jekyll and Hyde quote <b>'Man is not truly one but two'</b>	...learn the formula for area of a trapezium  $A = \frac{1}{2} (a+b)h$	... formula for pressure 

# Last week you....

## Started thinking about your plans for next September and beyond:

- Read the **St Joseph's sixth form prospectus**.
- Looked at the **subjects we offer** on the website.
- Looked at the **6th form section** of the website.
- Looked at the **careers section** of the website.

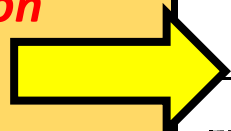

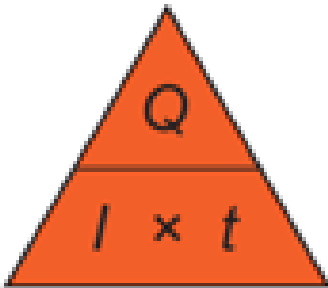

# This is the week to....

*As with last week we are including snippets of learning from core subject areas in our 'This is the week to...' section*

**Place this sticker in your planner to help you remember.**

**It will be posted in the y11 Google classroom so that you can check it on your phone etc too!**

This is the week to ...		
English	Maths	Science
... learn Macbeth quote: <b>'fill me from the crown to the toe topfull of direst cruelty'</b>	... learn the formula for area of a circle 	... learn the formula for charge 

# This is the week to....

Decide clearly what your motivations are for being successful this year...

For what reasons or for what person are you committing to work hard every day?

Write it down.

## WHAT'S YOUR WHY?
