

This is the week to....

- **Remember!** Each week on this slide I will list key actions that all Year 11 students must undertake in order to achieve success.
- I will message them to your parents/carers too.
- Make sure you note them on today's page in your planner.
- Make sure you complete all of the them!
- Make sure your classmates have completed them!

T Together
E Everyone
A Achieves
M More

Last week you....

Placed this sticker in your planner to help you remember.

Checked it out on y11 Google classroom and on your phone etc too!

This is the week to ...		
English	Maths	Science
... learn Macbeth quote 'This dead butcher and this friend like queen'	...learn Pythagoras' Theorem  $a^2 + b^2 = c^2$... formula for acceleration 

This is the week to....

As with last week we are including snippets of learning from core subject areas in our 'This is the week to...' section

Place this sticker in your planner to help you remember.

It will be posted in the y11 Google classroom so that you can check it on your phone etc too!

This is the week to ...		
English	Maths	Science
... learn Jekyll and Hyde quote 'Man is not truly one but two'	...learn the formula for area of a trapezium  $A = \frac{1}{2} (a+b)h$... formula for pressure 

This is the week to....

Last Thursday evening St Joseph's sixth form ran a virtual open evening.
Last Friday, during PHSE, you collected the St Joseph's sixth form prospectus and details of courses that might interest you.

THIS WEEK start thinking about your plans for next September and beyond:

- Read the **St Joseph's sixth form prospectus**.
- Look at the **subjects we offer** on the website.
- Look at the **6th form section** of the website.
- Look at the **careers section** of the website.
