Year 10 and 11 Collection of materials to support learning

We have organised for an opportunity for students to collect paper resources to support home learning. These include:

Knowledge organisers

Worksheets

Revision materials

Revision guides

This will take place on Monday 11th January at the following times:

Year 10 9:30

Year 11 12:00

Can we ask that students enter the school building via the sports department entrance, walking outside around D block. If students are getting a lift parents will need to wait in the main car park.

Can students please maintain 2 meter social distancing and wear a face covering at all times. Staff will be on site to assist with the flow of students.

Tables will be set out in the sports hall with subject names. We ask that students collect resources from the relevant table and then exit the site.

Due to social distancing measure in place students will not be able to remain on site to catch up with friends or staff.

Teaching staff will be notified and no live lessons will run at the relevant times for the students. Electronic versions of the resources will be made available in Google Classroom.

Your sincerely

S Lewis-Dale

Acting Deputy Head

Parents/Carers: Stay Alert. Keep your child at home if they have Covid-19 symptoms. Stay Safe.
