Chair of Governors: Mrs G Kilgour

19/01/2021

Dear Parent / Carer,

As you are no doubt aware we have once again moved to remote online learning, this includes a mix of live and pre-uploaded content planned specifically around each class.

In our weekly monitoring we have noticed that your child has not engaged fully in at least three sessions and we are worried they may fall behind if we do not fully support them.

I am writing to request your support in ensuring that your son / daughter engages in all live / pre-recorded lessons and fully engages in all tasks set. We will now closely monitor engagement over the coming weeks and will be back in contact if need be. Year 10 is a key GCSE year for students and it is imperative we work together to keep them on track to fully prepare them for formal examinations in the Summer of 2022.

If they have been unable to engage in lessons due to technical issues or require further support please get in touch via [homestudyhelp@stjosephs.uk.net](mailto:homestudyhelp@stjosephs.uk.net) so that we can do all we can to help them engage in their work.

Online learning follows their school timetable each day and there is an expectation for pupils to complete tasks set within the deadlines set by their class teachers.

Yours Sincerely

M.J. Price
