Dear Parent / Carer,

I hope this letter finds you well in these challenging circumstances we once again find ourselves in.

As you are no doubt aware we have moved to remote online learning, this includes a mix of live and pre-uploaded content planned specifically around each class.

In our end of week monitoring we have noticed that your child has not engaged in at least four sessions and we are worried they may fall behind if we do not fully support them.

If they have been unable to engage in lessons due to technical issues or require further support, please get in touch with your child's Head of House so that we can do all we can to help them engage in their work.

Online learning follows their school timetable each day and there is an expectation for pupils to complete tasks allocated within the deadlines set by their class teachers. Should you require any further help or support please contact your child's Head of House.

Yours Sincerely

M.J.Price

Deputy Head Teacher (Pastoral)
