26/05/2021

Dear Parent/Carer,

During this half term at St. Joseph's, your child has been a regular attendee to our lunchtime zoology club. Tomorrow, on Thursday 27th May, an external mobile petting zoo will be coming into school as part of this zoology club.

Your child has been selected to take part in a ninety-minute session delivered by Crazy Creatures North East, during which they will have the opportunity to observe and handle a range of different animals including ferrets, rats, tortoises, African bullfrogs, scorpions, tarantulas, mice, rabbits, corn snakes, boa constrictors, chameleons and bearded dragons.

Could you please get in touch with your child's head of house if they have any allergies to any of the animals above and please don't hesitate to get in touch if you have any further issues you would like to discuss.

Yours sincerely,

Mrs C Hawkins.
