22<sup>nd</sup> July 2021

Dear Parents and Carers,

I'm sure you will be aware that the government has announced that all secondary pupils on returning to school in September will be offered two lateral flow tests, in school, 3-5 days apart. This is to aid with the detection of asymptomatic Covid cases. Once each pupil has had two tests in school, they will be provided with home-testing kits and instructions to carry out their tests twice-weekly at home. This will take place initially until the end of September.

To allow for the roll-out of testing alongside the reopening of school for a new term, pupils will return on a phased basis during the week beginning 6<sup>th</sup> September. In order to reduce the amount of time pupils are out of school, we will begin to offer testing on the INSET Day on Monday 6<sup>th</sup> September as outlined in the table below. **The initial testing for all year groups will take place in the Sports Hall.**

In summary, pupils will return to school on a staggered basis. This phased return is necessary in order to facilitate the roll-out of LFD testing for those students that we have consent for and allowing for a gap of 3-5 days between tests.

## Consent Information:

As in March this testing is voluntary and no students will be prevented from returning to school if they do not take part in onsite testing.

## **Pupils Joining in Year 7**

Parents of new Year 7 students will need to complete the consent form via the link below.

<https://forms.gle/D1YBo7ZzN71CQDyc9>

Your child will be registered for their tests prior to their test days. If consent is withdrawn or your child is absent, they will not be tested. However, you may still receive confirmation of a registered test.

**Parents/Carers: Stay Alert. Keep your child at home if they have Covid-19 symptoms. Stay Safe.**
