Dear Parent/Carer of a Year 7 Student,

I hope your son/daughter has had an enjoyable first term at St Joseph's Catholic Academy.

I wrote to you in September regarding students in year 7 completing a computer-based assessment. We will use this information, alongside other in school assessment data and transition data from primary schools, to create teaching groups after the Christmas break.

We create teaching groups in this way to improve all pupil outcomes, ensuring that class content is well-targeted to a pupil needs and that all students get the appropriate support.

We will assess students regularly across their time at St Joseph's in order to track progress, support their learning and review a student teaching groups.

Kind regards,

Mr. D. McGuinness

Assistant Head Teacher
