Year 13 Parents' Evening 20th January 2022

I would like to formally invite you to attend our "virtual" year 13 parents evening on Thursday 20th January from 4:00 pm to 6:00pm. Due to the current situation with COVID-19 and following guidance from Public Health, we are unable to run our traditional Parents' Evening in school. We have been working hard to find a solution which provides you with the opportunity to discuss your child's academic progress with subject teachers.

As a result, the school is going to be using an online system for parents' evenings; this allows you to book appointments to speak with your child's subject teachers about their progress in year 13 and discuss any relevant interventions and support. These meetings will be held via the Microsoft Teams platform.

Each appointment will be allocated 5 minutes to allow teachers to speak to as many parents/ carers as possible. It is important that we maintain the timings in order to enable the timetable for the evening to progress without delays. The subject teacher will invite you into the Teams meeting when they are ready for you. Please be ready for your invite at your pre-booked time. If you still have any questions after your appointment has come to an end then please email the school office at office@stjosephs.uk.net with your question marked for the attention of the teacher concerned.
