

Dear Parents / Guardians,

In order to help prepare your child for their next stages in life, we will be running a series of cookery lessons after February half term during PSHE / RE on a Friday. Students will cook a Mexican chicken dish and a sausage hotpot with a member of the D&T department. They will also receive a demonstration on how to cook a variety of pasta sauces plus information on how to read recipes, where to find them and essential basic ingredients from our head chef.

Pupils are expected to bring into school the ingredients needed for their cooking. Recipes are attached to this letter. These should be labelled with your child's name and placed in the fridge in the correct cookery room at the beginning of the day. Students do not require ingredients for the pasta session. The time table of when your child is cooking what is outlined below.
