17/09/20

Dear Parent/Carer,

At St Joseph's we ensure that we are providing your child with every opportunity to prepare for their final examinations and achieve the greatest success.

We have been thrilled to welcome your child back into Year 11 after the recent lockdown period. Now that students have settled safely and successfully into the new school routines, we are ready to focus more explicitly on securing their academic progress.

To this end, Year 11 Students will be undertaking "knowledge tests" in all Subjects from the week beginning September 28th, 2020.

Our dedicated staff at St Joseph's are keen to offer additional study support to their examination classes. Having reviewed year 10 progress information, we have chosen to focus this first wave of study support sessions on English and maths.

Your child has been identified as a student who would benefit from teacher led support in both of these areas. The study support sessions will be run in small teaching groups so that each student can get the necessary attention they need.

The sessions will run for 5 weeks from September 21st:

Maths Sessions will take place on Tuesdays (Sept 22nd + 29th, Oct 6th, 13th, 20th)

English Sessions will take place on Thursdays (Sept 24th, Oct 1st, 8th, 15th, 22nd)

We are dedicated to your child's success and we firmly believe that, by working in close partnership with yourselves and your child, we can 'achieve success together'. As such we would greatly appreciate your support in ensuring your child attends all of these sessions.

Yours sincerely

Mrs Z Hammond

Y11 Progress and intervention lead

**Parents/Carers: Stay Alert. Keep your child at home if they have Covid-19 symptoms.
Stay Safe.**
