

FutureMe Resources Order Form

Submitted by lewis-dales@stjosephs.uk.net at 13:49 on 07/10/2021

Please use this order form to request the remaining items of FutureMe resource stock. The form will open at 12pm on Thursday 7th October and remain open for a week. We have set maximum numbers per institution for each of these items, which are listed next to the item, to ensure that resources can be shared between all who request them (where possible). Following the closure of the form we will post items out within 10 working days. Teams should continue to use any surplus resources they have in their possession.

All printed resources remain available to download from both of our websites:

<https://futureme.ac.uk/resources/tag/futureme-85> and

<https://www.outreachnortheast.ac.uk/futureme-resources/>

Please contact us at info@futureme.ac.uk if you have any questions.
