

Y8 Spanish Learning Journey

MFL here at St Joseph's Catholic Academy has a strong emphasis on developing spontaneity and fluency and allowing students to feel successful and enjoy their language learning. Therefore, course content is recycled regularly to allow students to process and manipulate the language. Students are given regular opportunities to practise and further develop their skills in listening, reading, speaking and writing.

"If you talk to a man in a language that he understands, that goes to his head. If you talk to him in his own language, that goes to his heart." Nelson Mandela
