Dear Parent/Guardian,

RE: Food Technology Lessons

In order to better support our students and families, we are making a change to Food Technology lessons this year.

To minimise the cost and inconvenience of a student supplying their own ingredients for practical lessons, we are asking for a financial contribution for each term of practical lessons. This will be £5 per term payable through ParentPay, to support the cost of ingredients.

This will be financially cheaper for you as a family, and reduce the need for students to bring their own supplies in – which are often forgotten – and will prevent the waste of unnecessary ingredients that your child brings in and does not use, ensuring a sustainable approach to our food lessons.

Thank you for your cooperation and we're looking forward to working with Year 7.

Mrs Dollin

Head of Design and Technology
